

Aurelia Sinclair

DESIGN ENGINEER · CREATIVE TECHNOLOGIST

hello@aubreliasinclair.com
aubreliasinclair.com
London, United Kingdom

A design engineer working at the seam between design and engineering — crafting considered, cinematic interfaces for studios, founders and heritage houses. Eight years turning ambition into work that feels inevitable.

EXPERIENCE

Principal Design Engineer 2023 — Now
Maison Vela · London

Leading the digital craft of a heritage luxury house — design systems, flagship microsites and a shared motion language.

Senior Front-end Engineer 2020 — 2023
Northwind Studio · Remote

Shipped award-winning sites for fashion, culture and tech clients. Owned the animation stack; mentored a team of four.

Product Designer 2018 — 2020
Atlas Labs · Berlin

Designed and prototyped consumer products end-to-end, bridging research, interface and engineering.

Designer — Independent 2016 — 2018
Freelance · Worldwide

Brand identities and websites for founders.
